

Plustek OpticPro A320
A3 Flatbed Scanners
TK2229

Plustek's OpticPro A320 is a fast A3 scanner geared toward professionals requiring quality results with an efficient, versatile workflow. Combining high speed and image quality, the A320 is capable of meeting the needs of graphic designers, CAD users, education and office users alike. Plustek OpticPro A320 is a large format scanner that can scan a 12 x17" (304.8 mm x 431.8 mm) size document with resolution as high as 1600 dpi in just 8.5 seconds. It is ideal for digital preservation, photo organising, maps, libraries, schools and anyone that needs to scan A3 sized graphics and documents. With seven one-touch buttons for performing pre-set functions enable the user to quickly: scan, file, copy, OCR, create PDFs and email. Bundled with simple-to-use image processing and document management tools such as SilverFast Ai-IT8.

Main features: Flatbed, A3+ (12x17"), USB2. Very fast (~13 seconds for an A3 colour page). 1 year warranty RTB. Includes PageManager, FineReader 6+ OCR, Mr. Photo & Imagefolio.
