

Contex HD iFLEX  
Large Format A2  
A1 A0 Scanners  
CX3246

The Contex XD2490 wide format scanner is the ideal scanner for A1 or smaller sized documents and drawings, up to an impressive 24 inches wide. This scanner works well with your existing software tools including Microsoft Office and most printers. Scan quickly to your file, email or printer. Simple and powerful Nextimage software with clear controls and 1200 dpi optical resolution for sharp and accurate images which bring out detail and depth in any drawing each time. The high accuracy provides distortion free image capturing with 48-bit color capture and 16-bit black/white capture. Scan and save documents in popular file formats such as TIF, JPG and PDF. Scan documents face up, so users can see what they are scanning and protect fragile documents.

Main features: Contex XD2490 - 24" wide Colour scanner, USB 2, includes Nextimage 3.1 Scan+Archive software license, for Windows, 1 year warranty
