

Plustek PS4080U
A4 Document Scanners
TK2471

The Plustek PS4080U has a scan speed of 40 pages per minute (80 images-per-minute in duplex mode), a 100-sheet feeder and a daily duty cycle of 4,000 pages per day. The Plustek PS4080U is designed to be shared among a workgroup with applications requiring frequent scanning.

The newly designed feeder enables pages sized from 2"x2.5" up to 8.5"x10" to be scanned without sorting. A special long-paper mode enables scanning of non-standard sizes such as contracts, loan forms and strip charts. TWAIN drivers ensure compatibility with scanning and imaging programs.

ABBYY FineReader Sprint is included to easily create and manage searchable PDFs at the touch of a button. The Plustek PS4080U has built-in image processing that ensures the highest image quality by reducing rescans and increasing OCR accuracy.

Main features: 40ppm (80ipm), 100 p ADF, A4, True Duplex, USB2, 1 year warranty RTB

Plustek PS4080U

A4 Document Scanners

PS4080U Specifications	
ADF (Doc. Feeder)	Yes
ADF Scan Area - Max.	216x5080 mm
ADF Scan Area - Min.	13.2x13.2 mm
Duplex or Simplex	True Duplex
ADF Speed (ppm)	40
ADF Capacity (pages)	100
ADF Speed Duplex (ipm)	80
ADF Paper Path	Straight
Paper Weight	40 to 220 g/m ²
Duty Cycle	★★★★★
Colour Modes	B&W, Greyscale, Colour
Scanning Technology	2 x CCD
Interface	USB2
Resolution (dpi, optical)	600
File Formats	JPEG, TIFF, PDF
Supported OS	Windows XP / Vista / 7 / 8
