

Avision AV620N Network Scanners AV3068

The Avision AV620N offers true duplex document scanning in a very compact desktop design. It features USB and Ethernet ports. The USB port can be used to scan from your computer's software or to scan to a USB thumb drive. The Ethernet port enables you to share the scanner between 2 users on the network. Ease of use is exceptional thanks to Button Manager, the ability to quickly select profiles using the up/down buttons and the fact the profile names are displayed on the LCD display. You can name profiles by document type like Invoices, Receipts, photos and have different settings associated with each of those. You can associate profiles with destinations of your choice, e.g. JohnB, TracyM, GoogleDocs, DropBox, MSWord, etc.. Documents can be output to a range of file formats including JPEG, TIFF, PDF and text searchable PDF. With Avision's Button Manager, you can also scan directly into most applications by just pointing to it. This includes MSWord, Outlook, file folders, Notepad, Google Translate, DropBox, Evernote, FTP, Sharepoint, GoogleDocs, Photoshop and many more. It's that easy! The Avision AV620N ships with software for Windows XP, Win 7 (32 & 64 bit) and Windows 8. Optional software is also available for Mac OS 10. Whilst the AV620N offers terrific value for money, please note that due to its compact design the paper handling will not be as versatile as other Avision models like the AV188 or AV280. It will of course work perfectly fine with typical office documents, but it won't let you mix documents of significantly different size and thickness in the same scanning batch (e.g. business cards, consignment notes and A4 paper). Please also note the Ethernet port is there to enable scanner sharing between computers, but that it doesn't offer direct scan to email functionality like the full featured Avision network scanners do.

Main features: 20ppm (40ipm), FB+50p ADF, A4, True Duplex, USB2 (to PC or Flash drive) & Ethernet (sharing only), Small footprint, for Windows (Mac optional), 1 year warranty RTB.

Avision AV620N

Network Scanners

AV620N Specifications	
ADF (Doc. Feeder)	Yes
ADF Scan Area - Max.	Legal
ADF Scan Area - Min.	114x139 mm
Duplex or Simplex	True Duplex
ADF Speed (ppm)	20
ADF Capacity (pages)	50
ADF Speed Duplex (ipm)	40
Flatbed	Yes
ADF Paper Path	U
Flatbed Scan Area	A4
Paper Weight	From 60 gsm up to 107 gsm
Duty Cycle	★★★★★
Colour Modes	B&W, Greyscale, Colour
Scanning Technology	CIS x 2
Interface	USB2, Ethernet
Resolution (dpi, optical)	600
File Formats	Text Searchable PDF, TIFF, JPEG, GIF, BMP
Supported OS	WINDOWS XP, VISTA, Win 7, Win 8 (MAC OS X optional)
Software Standards	TWAIN, ISIS drivers
Imaging Features	Deskewing, sharpening, auto-crop, blank page removal, page separation, dynamic thresholding, noise removal
In the Box	Button Manager, AVScan, Paperport SE, USB cable
Electrical	Input: 100-240 VAC, 50/60 Hz. Power consumption:
Light Source	LED
Dimensions	324x453x237 mm
PC Configuration	Minimum: 1GB RAM. Recommended: 2GB RAM, USB2
Weight	6.5
Operating Environment	10°C to 35°C, 10-85%RH
Warranty	12 months parts & labour warranty
