

## Overview

# Avision AV1860 scanner

# Avision

Part no. AV3046

## Description

Avision's new AV1860 document scanner offers impressive true 40ppm scanning (80 images per minute in duplex mode) will full speed colour capture even at 300 dpi. The AV1860 features a very versatile automatic feeder and an A4 flatbed. It features a straight scanning paper path and the ability to scan an incredibly wide range of documents: small thin paper (e.g. receipts), driving licences, consignment notes, credit cards, cheques, business cards, photos, index cards and listing paper. It also excels at scanning mixed documents. When not in use, the input paper guides neatly fold back onto the scanner, sheltering the paper path from dust. The Avison AV1860 includes the acclaimed Button Manager one touch scanning program, ensuring quick and easy scanning to PDF (or Text Searchable PDF) as well as a range of other output destinations. PDF creation is integrated and produces Adobe Certified PDFs (Adobe engine). Power users also have the option to use the full featured AVScan 5 capture software which includes blank page removal, automatic colour detection and a host of image enhancement features to help you achieve better quality documents with the smallest possible file size. ExactScan software for Mac OS X is available as a low cost option. Like all Avison document scanners, the AV1860 comes with a spare separation pad. Most other brands don't include one. The Avison AV1860 includes toll free phone support in Australia and New Zealand. Support is provided by Proscan's experienced English speaking staff.

Main features: 40ppm (80ipm), FB+50p ADF, A4, True Duplex, USB2, for Windows (Mac optional), 1 year warranty RTB.  
**Now discontinued please see replacement AV1880.**

## Product information

<b>Model No.:</b>	AV1860
<b>Flatbed Scan Area:</b>	A4
<b>ADF Capacity (pages):</b>	50
<b>ADF Scan Area - Max.:</b>	216x910 mm
<b>ADF Scan Area - Min.:</b>	50x64 mm
<b>Duplex or Simplex:</b>	True Duplex
<b>ADF Speed (ppm):</b>	40
<b>ADF Speed Duplex (ipm):</b>	80
<b>ADF Paper Path:</b>	Straight
