Description

The Fujitsu fi-7030 is an evolved entry model desktop A4 document scanner suitable for quick scanning, featuring a 50 page ADF. The Fujitsu fi-7030 scans colour A4 documents at a speed of 27 ppm / 54 ipm in duplex mode. The scanner is capable of a wide range of documents from thin documents to plastic cards including embossed cards.

Compact design of this scanner allows it to be placed anywhere and will not leave you or your customer waiting with a quick startup time of 0.5 second and a recovery time of 1 second after resuming from sleep mode.

The Fujitsu fi-7030 has the ability to scan mixed documents, small cards or extra long documents. Paper Protection constantly checks along the whole document length during scanning and automatically stops paper feeding when error occurs to avoid any damage to the document to deliver a reliable scanning experience to the user. It is equipped with Skew Reducer to detect the alignment of scanned documents and correct paper skews to minimise missing the edge of scanned documents. Users can rest assured that the result will be good even when scanning documents that are not aligned correctly.

The PaperStream IP scanner driver, which supports TWAIN/ISIS, saves the inconvenience of fine adjusting the settings for the OCR process. It automatically converts the images into exceptionally clean images, accelerating OCR even when scanning wrinkled, soiled documents and even documents with a background pattern.

Main Features: 27ppm (54ipm), 50p ADF, A4, True Duplex, Skew Reducer, PaperStream, USB2. 1 year warranty RTB.

Product information

Model No.:	fi-7030
ADF Capacity (pages):	50
ADF Scan Area - Max.:	216x355 mm
ADF Scan Area - Min.:	50x50 mm
Duplex or Simplex:	True Duplex
ADF Speed (ppm):	27
ADF Speed Duplex (ipm):	54
ADF Paper Path:	Straight
Paper Weight:	40 to 209 gsm for A4 (127 to 209 gsm for A8 size)
Colour Modes:	B&W, Greyscale, Colour
Scanning Technology:	CIS x 3
Interface:	USB2.0
Resolution (dpi, optical):	600
Light Source:	LED
File Formats:	Text Searchable PDF, TIFF, JPEG, BMP
Software Standards:	TWAIN, ISIS drivers
Imaging Features:	Deskew, Cropping, Image emphasis, Error diffusion, Automatic colour detection, Multi image output, Blank page detection, Split image, Front/Back Merging.
In the Box:	ADF paper chute, PaperStream Capture, ScanSnap Manager, FineReader OCR for ScanSnap, Central Admin Agent, USB Cable, AC Adapter and cable, Set-up DVD
PC Configuration:	Minimum: 2GB RAM, USB2. Recommended: 4GB RAM
Supported OS:	Win Vista, Win 7, Win 8/8.1 (32/64), Win 10 (32/64), Server 2008/R2 (32/64), Server 2012/R2 (64).

Dimensions:	290x146x130 mm
Weight:	4.2
Electrical:	Input: 100-240 VAC, 50/60 Hz. Power consumption:
Operating Environment:	5°C to 35°C, 20-80%RH
Warranty:	12 months parts & labour warranty
ADF (Doc. Feeder):	Yes
Duty Cycle:	★ ★ ★
